RESEARCH

A. JOURNALS:

- Decker, D.J., et al. (in prep.). The civic purpose of hunting--a thesis for the renewal of hunting in American culture/society. Journal of Wildlife Management.
- Enck, J.W. and D.J. Decker. (in prep.). Using a community capacity approach for assessing the social feasibility of restoring elk to New York State. Journal of Wildlife Management.
- Siemer, W.F., S.A. Jonker, D.J. Decker, J.F. Organ, and R.M. Muth. (in prep.). A model of beaver management supported by comparative research in areas with different beaver and human densities. Human-Wildlife Conflicts.
- Jacobson, C.A., D.J. Decker, L.H. Carpenter, J.F. Organ, and G.R. Batcheller. (in review). Prototypical components of a wildlife conservation institution for the 21st century. Journal of Wildlife Management.
- Lauber, T.B., T.L. Brown, D.J. Decker, B.A. Knuth, D.B. Raik, and K.M. Leong. (in review). Public involvement research: expanding our view. Human Ecology Review.
- Leong, K.M., D.J. Decker, and M. Wild. (in review). Wicked natural resources issues. Journal of Wildlife Management.
- Raik, D.B., M.J. Pfeffer, and D.J. Decker. (in review). Possibilities for institutional hybrids for good governance of natural resources. Society and Natural Resources.
- Lauber, T.B., D.J. Decker, and B.A. Knuth. (in review). Social networks and community-based natural resource management. Environmental Management.
- Lauber, T.B., E.J. Taylor, and D.J. Decker. (in review). Factors influencing membership of federal wildlife biologists in The Wildlife Society. Journal of Wildlife Management.
- Schusler, T.M., M.E. Krasny, S.J. Peters, and D.J. Decker. (in review). Growing more than collards: developing citizens and change agents through environmental action. Environmental Education Research.
- Jacobson, C.A., and D.J. Decker. 2008. Governance of state wildlife management: Reform and revive or resist and retrench? Society & Natural Resources 21:441-448.
- Wieczorek Hudenko, H., D.J. Decker, and W.F. Siemer. 2008. Reliance on informants in wildlife management situation analysis--Shortcut or shortcoming? Human Dimensions of Wildlife 13:459-470.
- Zinn, H.C., M.J. Manfredo, and D.J. Decker. 2008. Human conditioning to wildlife: Steps toward theory and research. Human Dimensions of Wildlife 13:388-399.
- Raik, D.B., A.L. Wilson, and S.J. Decker. 2008. Power in natural resources management: An application of theory. Society & Natural Resources 21(8):729-739.

- Leong, K.M., K.A. McComas, and D.J. Decker. 2008. Formative coorientation research: a tool to assist with environmental decision making. *Environmental Communication* 2(3):257-273.
- Jacobson, C.A., D.J. Decker, and L.H. Carpenter. 2007. Securing alternative funding for wildlife management: insights from agency leaders. *Journal of Wildlife Management* 71(6):2106-2113.
- Leong, K.M., D.J. Decker, J.F. Forester, P.D. Curtis, and M.A. Wild. 2007. Expanding problem frames to understand human-wildlife conflicts in urban-proximate parks. *Journal of Park and Recreation Administration* 25(4):62-78.
- Leong, K.M., K.A. McComas, and D.J. Decker. 2007. Matching the forum to the fuss: using coorientation contexts to address the paradox of public participation in natural resource management. *Environmental Practice* 9:195-205.
- Raik, D.B. and D.J. Decker. 2007. A multi-sector framework for assessing community-based forest management: lessons from Madagascar. *Ecology and Society* 12(1):14-27.
- Siemer, W. F., D. J. Decker, and J. Shanahan. 2007. Media frames for black bear management stories during issue emergence in New York. *Human Dimensions of Wildlife* 12(2):89-100.
- Brown, T.L., D.J. Decker, J.T. Major, P.D. Curtis, J.E. Shanahan and W.F. Siemer. 2006. Hunters' and other citizens' reactions to discovery of Chronic Wasting Disease in central New York. *Human Dimensions of Wildlife* 11(3):203-214. Special issue.
- Decker, D.J., C.A. Jacobson, and T.L. Brown. 2006. Situation-specific "impact dependency" as a determinant of management acceptability: insights from wolf and grizzly bear management in Alaska. *Wildlife Society Bulletin* 34(2):426-432.
- Decker, D.J., M.A. Wild, S.J. Riley, W.F. Siemer, M.M. Miller, K.M. Leong, J.G. Powers, and J.C. Rhyan. 2006. Wildlife disease management: a manager's model. *Human Dimensions of Wildlife* 11(3):151-158. Special issue.
- Enck, J.W., D.J. Decker, S.J. Riley, J.F. Organ, L.H. Carpenter, and W.F. Siemer. 2006. Integrating ecological and human dimensions in adaptive management of wildlife-related impacts. *Wildlife Society Bulletin* 34(3):698-705.
- Jacobson, C.A. and D.J. Decker. 2006. Ensuring the future of state wildlife management: understanding challenges for institutional change. *Wildlife Society Bulletin* 34(2):531-536.
- Leong, K.M., D.J. Decker, M. Wild, and J. Karish. 2006. Application of an issue-evolution model to wildlife issues in National Parks. *The George Wright Forum* 23(1):62-71.
- Raik, D.B., D.J. Decker, and W.F. Siemer. 2006. Capacity building: a new focus for collaborative approaches to community-based suburban deer management? *Wildlife Society Bulletin* 34(2):525-530.

- Brown, T.L. and D.J. Decker. 2005. Introduction to special issue on global community-based wildlife management issues. Human Dimensions of Wildlife 10(2):81. Special issue.
- Brown, T.L. and D.J. Decker. 2005. Research needs to support community-based wildlife management: global perspectives. Human Dimensions of Wildlife 10(2):137-140. Special issue.
- Decker, D.J., D.B. Raik, L.H. Carpenter, J.F. Organ, and T.M. Schusler. 2005. Collaboration for community-based wildlife management. Urban Ecosystems 8 (2):227-236.
- Gore, M. L., Siemer, W. F., Shanahan, J. E., Schuefele, D., and D. J. Decker. 2005. Effects on risk perception of media coverage of a black bear-related human fatality. Wildlife Society Bulletin 33 (2): 507-516.
- Michaelidou, M. and D.J. Decker. 2005. Incorporating local values in European Union conservation policy: the Cyprus case. Human Dimensions of Wildlife 10(2):83-94. Special issue.
- Raik, D.B., T.B. Lauber, D.J. Decker, and T.L. Brown. 2005. Managing community controversy in suburban wildlife management: adopting practices that address value differences. Human Dimensions of Wildlife 10(2):109-122.
- Raik, D.B., W.F. Siemer, and D.J. Decker. 2005. Intervention and capacity considerations in community-based deer management: the stakeholders' perspective. Human Dimensions of Wildlife 10(4):259-272.
